STAFF AUGMENTATION AND DIRECT HIRE SERVICES

nTech Workforce is capable of scaling these services for clients of all sizes across a variety of labor categories.

CERTIFIED BUSINESS PROCESSES

As one of the few ISO 9001:2015 Certified Staffing Organizations, nTech offers high quality and process driven delivery solutions.

Our entire delivery stack is monitored and audited by an independent, worldwide International Organization for Standardization partner.

By utilizing an ISO 9001:2015 Certified organization, you can count on accountability and process improvement as a practice while ensuring customer satisfaction will drive our business decisions.

PROACTIVE EMPLOYEE ENGAGEMENT

nTech has invested in industry leading automated technology platforms to drive employee engagement and reduce negative attrition.

We are able to catch problems before they arise and capture positive feedback to drive deeper engagement.

AWARD WINNING PARTNER

MINORITY BUSINESS ENTERPRISE PARTNER

As a certified MBE Company and NMSDC Supplier of the Year recipient, nTech champions Diversity and Inclusion as a pillar of the *Future of Work*.

By utilizing nTech as your MBE partner, you not only capture diversity spend requirements, but a supplier with deep roots and engagement within the MBE community.

W-2 RECRUITING PRACTICE

At any given time, nTech can demonstrate a 95% or higher W-2 employee ratio, for contract or contract-to-hire positions.

This reduces your risk by eliminating subvendors from the process while ensuring a highly efficient communication and cost chain.
